

Shared lease available
Arab x Adalusian

- Lease available on 15.1 hh, 12 year old grey gelding who is currently agisted at Tallebudgera valley.
- This horse is the best of both worlds – he is quiet and safe on roads, but loves to jump and is a good ‘all rounder’. He is the sort of horse that you could do a round of 1m show jumps on and then unsaddle him and ride him back to his paddock bareback in a halter with no dramas.
- He has done well at pony club and competition.
- He has no vices (does not bite, kick, buck etc) is easily to catch, float, and is just generally good to handle.
- He has a soft mouth and therefore I am looking for someone who has soft hands. This horse would be perfect for a young rider (possibly a teenager) who is capable but is looking at increasing their confidence.
- He is personality plus! and is ‘trick trained’ (that is to bow, count etc).

He loves people and the more attention you can give him the better. Unfortunately, work commitments have meant that I have not been able to give this horse the time that he deserves. He is getting bored and gaining weight. Therefore, I have decided to lease him out.

Please phone Hailey on **0418 750 809** to discuss this arrangement further.
