

AMBER (GINGER NINJA)

I am 19 years old but have plenty left in the tank!
Owner is sadly moving on but doesn't want to leave me in the paddock as I'm
much too good.

Amber is a 13.2 chestnut stockhorse/riding pony mare who has been there done that. Easy to catch, shoe, float. Great under saddle and would never bolt!

Would like to see her so to a home with other horses as she is a very social pony. Perfect pony club mount. She is great at games/gymkhana but also happy to jump (photo above taken this year). A great confidence builder for a nervous young rider and has been ridden by beginners.

To approved home only. \$2200 neg and comes with rugs.
