

# CHEXY

Super quiet, friendly, gentle 11yo, 14.3hh registered quarter horse gelding for sad sale.

Done heaps of pony club and trail rides including ATHRA trail rides. Chexy gave my 10 year old daughter the confidence to jump and has done such a good job in boosting her overall riding skills that she is now ready to move on to a more forward moving horse.

Fantastic ground manners, extremely easy to catch and float, no vices.
