

FULL LEASE WITH POSSIBLE OPTION TO BUY

Romeo is a 9 yr old 16.1hh Thoroughbred Gelding. Lovely soft snaffle mouth, very trainable and a pleasure to be around. He has solid flat work education, has recently competed successfully but is really ready to step up and pursue his competition career, whether it be eventing, dressage or Pony Club and with his stunning looks I'm sure he would excel in the show ring. I am full leasing him with possible option to buy due to work commitments and lack of time and would hate for his talent to go to waste. Experienced rider only.
